1	The Crunch	7A/7A+	Sit start in cave on good holds– climb out to the lip and along left to hold marked in the photo Project – keep climbing along the lip for another 2m and finish good holds
---	------------	--------	--

The sector *The Crunch* has tons of potential. Take lots of chalk, a few good Brushes and pads. The rock is very close to the sea so the conditions can vary from super greasy to very gripy.
