Rock Climbing Guide

Legal Note: All climbing is very dangerous & always at your own risk. Nobody is forcing you to climb. You choose to climb, so choose to go home before the risks become too high. Remember even small injuries can take 6 weeks to heal. No responsibility for inaccurate or incomplete information will be accepted by the scribe. The landowner accepts no liability at all. Climbers take full responsibility for themselves at all times. Fixed protection will become unreliable, loose rock is common, solid rock becomes loose & RD writers make up most of the information, with a beer, at the computer. This RD is only a guide & is no substitute for experience, training, common sense & a touch of caution. So, you are on your own...take care!

Directions: 10km on the Port Elizabeth side of *Storms River Bridge*.

Access: Tsitsikamma Adventure Falls is on private land. Access to climb was free, but they may choose to charge or want you to order food or sign an indemnity. Nice friendly approach will see you right.

Don't ask too many questions about the climbing, if they say yes, just get on with it!

To-Do: Tsitsikamma Adventure Falls is an entertainment venue. They have zip-lines, quad bikes, easy walks, an indoor wall & more.

General: Tsitsikamma Adventure Falls is an awesome place, but the climbing is not very good. The routes are super short, but situated on a scenic decked pathway that follows the river. Walk-in is very tame. Climbing is at an awesome spot to picnic. This is an ideal spot to take a less adventurous family. There are only 4 sport routes. Some potential remains for new routes.

- 1. Echo – 16
- 2. Chamber – 17
- 3. Hammer – 14
- 4. Kop - 20
