

Uniondale

Bouldering Guide

General

Uniondale does not have a lot of bouldering, but there are 3 boulders close to the 'T' junction where the Langkloof road meets the road to Oudtshoorn.

Access

The boulders are close to the road. We stopped, jumped the fence & sommer went bouldering. No issues. If anyone catches you just explain that Jesus owns all the land & that you feel the need to share...

History

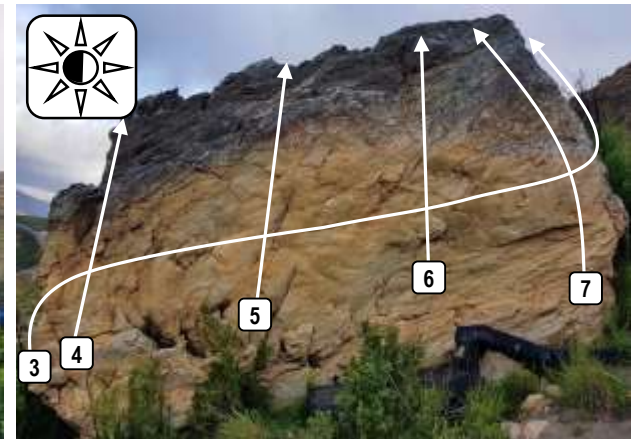

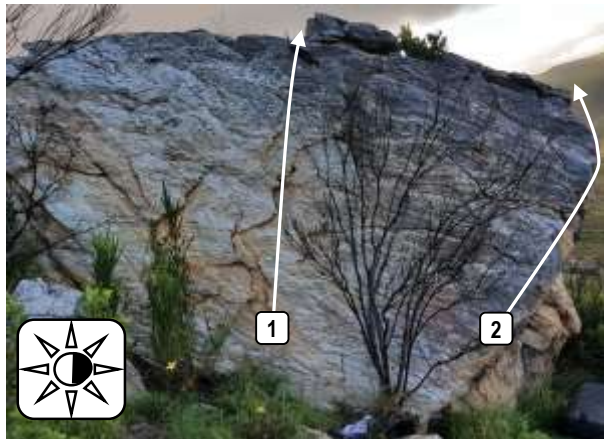

We drove passed these boulders for 20 years till we stopped the car.
